N PEACH TREES! Genuine Bargains while they last

These trees are two years old and free from disease and healthy in every respect. On account of the very low prices at which we are offering these, we cannot accept orders for less than \$5 worth. You may not wish to order all peach trees, so we give you the privilege of including any articles you want at the list prices, but in order to secure any of these peach trees, your entire order must total at least \$5.00.

We pay transportation charges and guarantee all stock to reach you in good condition. If you are planning on planting a wind-break, here is a real bargain.

Following are the varieties we offer at these prices:

HEATH CLING. Large, white and very sweet. Late

LEMON " Very large, yellow. August

CHINESE " " and showy, creamy-white with red cheek

ALEXANDER (free) Large, white, with pink cheek. August

BELLE OF GEORGIA (free) Large, white, with pink cheek. September

GREENSBORO (free) Earliest yellow peach. August.

3 to 4 ft. 18c each, \$15 per 100

2 to 3 ft. 12c each, \$10 per 100

As an eating peach the Cling has no equal for sweetness or the real peach flavor. It is the very best road-stand seller, splendid for spicing or canning and can always be sold on the market, as it is one of the showiest peaches grown.

These prices effective only for spring of 1923. Place your orders early (at once) before they are all sold. They will not last long at these prices.
